

Puppy Safety Training

Duration: 2 weeks

Training Support

- Handover: 1 hour private lesson about how to maintain manners and training.
- Phone consult and trainer follow up after hand over (up to 2 weeks following handover)
**The training contract states that we are not responsible for any training claims once the handover is completed. It's up to the new owner to maintain the training. Buyer is responsible for their travel expenses.

Puppy Behaviors/Manners

- Introduction to the crate
- Beginning crate conditioning
- Beginning Potty commands (on leash)
- Started on a Potty Schedule
- Beginning elimination of negative behaviors—biting, chewing, jumping

Puppy Commands/Training

**Commands at this level are on leash and inside home with mild distractions

- "Name" – this will get puppy's attention and call them to yourself
- "No" – for any unwanted behaviors
- "Okay" – releases them from command
- "Sit"
- "Down" – lie down on the floor
- "Let's go"—INTRODUCTION to loose leash walking using mild distractions
- "Wait"—to be released from inside crate
--at the door

**Please note: Each puppy is different and will demonstrate different degrees of knowledge with each command.
